

# 2014 Trade Expo Highlights

Fiesta In America's marquee Trade Pavilion is a virtual cornucopia of products and services of special interest to Filipino American consumers. Dozens of exhibitor booths overflow with stunning handicraft, men's and women's apparel, shoes, jewelry, and other export-grade goods made by Philippine craftsmen and not available in U.S. stores.

Banking and other financial services and attractive mortgage packages are available. Amazing deals are also offered by purveyors of real estate in the Philippines that are ideal investment or retirement properties, as well as outstanding resorts and other tourist attractions that will make you exclaim, "It's more fun in the Philippines!"

Don't miss out on spectacular, once-a-year deals offered by exhibitors. Be sure to visit each booth to get the most out of the event.
